Re: Contractor's Closeout Report
Sites 6 and 82 Source Removal
Operable Unit No. 2
MCB Camp Lejeune
Jacksonville, NC

Dear Ms. Landman:

Enclosed herewith please find the original signed report cover for the Draft report currently in your possession. Please replace your cover page with this signed page to finalize this report.

We trust that this submission will be found satisfactory and look forward to receiving your approval of the Final Closeout Report. Should any further clarification be required, please do not hesitate to contact us.

Yours truly,

OHM Remediation Services Corp.
